BACKGROUND

Animal Population Control Program

The law establishes a voucher system for paying veterinarians who vaccinate and sterilize impounded, quarantined, or stray dogs and cats. By law, people acquiring an unspayed or unneutered dog or cat from a pound must pay the pound \$45 for a voucher to sterilize and vaccinate the animal. The law also allows pounds to redeem the voucher and have the animal sterilized and vaccinated before releasing it to the person adopting or buying it (CGS § 22-380f).
